Colour: Yellow & Revision

Shape: Rectangle & Revision

Value: Being helpful

Songs of the Month

My Bike

One wheel, two wheels on the ground
My feet make the peddles go round and round
Handle bars help me steer so straight
Down the side walk and out the gate

Traffic Light (to the tune of "Twinkle Twinkle")

Twinkle, twinkle, traffic light
Standing on the corner bright
Green means go, we all know
Yellow means wait, even if you're late
Red means stop
Twinkle, twinkle, traffic light
Standing on the corner bright

Dear Parents,

Welcome back and Happy New Year! This month we are learning about transportation! We will be encouraging the children to begin understanding different modes of transportation and where they are used -- sky, sea or land. Teachers also emphasize the importance of vehicles in people's daily lives. We are also learning about dinosaurs and nursery rhymes.

Notice Board

Unfortunately, we had to say goodbye and good luck to Ms. Rene this term as she had to leave Simba Nursery. We welcome our substitute teacher Miss Andrea until the hiring process is completed for the new teacher.

This term also marks the beginning of our reading program! Please speak with classroom teachers to learn more.

Please note that **ballet** and **football** sessions will resume this term. Please stay tuned for more details!
