Note to Parents

Dear Parents,

Welcome back everyone after a relaxing spring break, and a warm welcome to new comers who joined the Simba family.

The UAE is known for its multicultural society. Therefore building bridges between all cultures, friendship, love and tolerance are something that is essential to nourish and raise a child who appreciates and understands the different colors, races and religions of the world.

Notice Board

Simba Nursery children are ready to experience the multiculturalism that Abu Dhabi provides by celebrating the upcoming International Day.

All parents are invited to take part and attend this exciting event.

We will be celebrating the different countries of the world with cultural displays and food.

Stay tuned for more details.
