Colour: Black, gray, gold & blue

Shape: Crescent, Cross, circle & Square

Dear Parents,

It is my pleasure to welcome you to another exciting learning journey at Simba Nursery.

We have many fun events planned for this month, including the celebration of the UAE Flag Day and UAE National Day.

The theme for this month is "Community Helpers", teaching our children about the community and the people who help us, using creative activities and ideas, making them feel comfortable in the world, from fire fighters, nurses, police officers to their very own teacher. We have selected a range of imaginative activities to spark discussions about helpful people in every day life.

Songs of the Month

UAE National Day Anthem
